Waste Words

See if you can find the words in the word search! There are nine words hidden in the grid below and all of them are connected with recycling. See if you can work out what they are!

BANK
LANDFILL
LITTER
PACKAGING
RECYCLE
REDUCE
REUSE
RUBBISH
SORT

Can you think of any other words that people use when they talk about recycling?

See if you can make a list of some other words and try to work out what they mean with the rest of your class.
